Dear City of Nampa  
Planning & Zoning:

We are asking for an extension on our existing CUP148-19 permit for another 6 months. Reason for the extension is we are still in works with army core of engineers as well as plans are not finalized yet.

If we could get this extension to give us time to complete all this that would be great. Let us know if there is anything else you'll need from us to get the extension approved.

Sincerely,

Treasure Valley Enterprises LLC
