News Release Road Construction Update

(March 8, 2013) The following is a road construction update for projects within the City of Nampa.

Garrity between 11th Avenue North and 16th Avenue North will have one lane of traffic in each direction closed intermittently beginning Monday, March 11. Park crews will be making major changes to the landscaping in the traffic islands. Estimated completion: March 22

E Locust Lane between Sunnyridge Road and S Powerline Road remains closed to through traffic while crews from Nampa Highway District #1 install a culvert. Drivers should use Ruth Lane as a detour. Estimated completion: March 15

Intersection of W Roosevelt Avenue & S Canyon Street remains closed to through traffic while crews install underground utilities. Drivers should use Lake Lowell Avenue as a detour. Estimated completion March 31

S Canyon Street between Roosevelt Avenue and Lake Lowell Avenue remains closed to through traffic while crews work on underground utilities. Drivers should use S Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013

S Canyon Street between Lone Star Road and Roosevelt Avenue remains closed to through traffic while crews install underground utilities. Drivers should use South Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.
