News Release Road Construction Update

(March 18, 2013) The following is a road construction update for projects within the City of Nampa.

Lone Star Road between North Canyon Street and North and North Sunset Street will be closed to through traffic starting Monday, March 18, while crews install underground utilities. Drivers should use High St as a detour. Estimated completion: March 22

Garrity between 11th Avenue North and 16th Avenue North continues to have one lane of traffic in each direction closed intermittently while park crews make major changes to the landscaping in the traffic islands. Estimated completion: March 29

E Locust Lane between Sunnyridge Road and S Powerline Road remains closed to through traffic while crews from Nampa Highway District #1 install a culvert. Drivers should use Ruth Lane as a detour. Estimated completion: March 22

Intersection of W Roosevelt Avenue & S Canyon Street remains closed to through traffic while crews install underground utilities. Drivers should use Lake Lowell Avenue as a detour. Estimated completion March 31

S Canyon Street between Roosevelt Avenue and Lake Lowell Avenue remains closed to through traffic while crews work on underground utilities. Drivers should use S Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013

S Canyon Street between Lone Star Road and Roosevelt Avenue remains closed to through traffic while crews install underground utilities. Drivers should use South Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.
