

CNG 101+ Workshop

CNG has been available in the Treasure Valley for over a year and more and more companies and individuals have seen the benefits of using CNG in their vehicles. With this increased awareness come questions that don't have simple answers--

"Can I convert my vehicle?" "How much will it cost?" "Should I consider CNG or LNG?" "Can I fuel at home?" "How do I get into a business to support CNG vehicles?"

We will have experts with Go Natural from the Salt Lake City area here to answer all your questions. If you know something about natural gas as a vehicle fuel and want to learn more --**this ½ day "technical" Workshop is for you! -AND lunch is provided!!**

Who should attend?

- ✓ Fleet managers considering natural gas vehicles
- ✓ Technicians interested in supporting CNG vehicles
- ✓ Owners of CNG vehicles who want to learn more.
