News Release Road Construction Update

(April 8, 2013) The following is a road construction update for projects within the City of Nampa.

1st Street North/E. Railroad St between 17th Avenue North and S Sugar Street will be closed to through traffic starting Wednesday, April 10, while crews work on the railroad bridge. Drivers should use 3rd Street North as a detour. Estimated completion: April 12

Intersection of W Roosevelt Avenue & S Canyon Street remains closed to through traffic while crews install underground utilities. Drivers should use Lake Lowell Avenue as a detour. Estimated completion: April 15

S Canyon Street between Roosevelt Avenue and Lake Lowell Avenue remains closed to through traffic while crews work on underground utilities. Drivers should use S Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.

S Canyon Street between Lone Star Road and Roosevelt Avenue remains closed to through traffic while crews install underground utilities. Drivers should use South Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.
