News Release Road Construction Update

(April 15, 2013) The following is a road construction update for projects within the City of Nampa.

Intersection of W Roosevelt Avenue & S Canyon Street remains closed to through traffic due to construction delays. This week crews are installing pedestrian ramps and paving the intersection. Drivers should use Lake Lowell Avenue as a detour. Estimated completion: April 20

S Canyon Street between Roosevelt Avenue and Lake Lowell Avenue remains closed to through traffic while crews work on underground utilities. Drivers should use S Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.

S Canyon Street between Lone Star Road and Roosevelt Avenue remains closed to through traffic while crews install underground utilities. Drivers should use South Midland Boulevard as a detour. Estimated completion: Closures will be occurring intermittently through July 2013.
