## News Release Special Curbside Service & Free Dump Day

(April 23, 2013) - We want to remind customers this is the week they can put extra items to the curb during their regular trash pickup service. Along with household trash, Republic Services (formerly Allied Waste) will accept old sofas, televisions, computer monitors, stoves, non-Freon appliances, mattresses and tree debris cut up in four foot sections. Carpet, branches and wood scraps must be bundled and weigh less than 60 pounds. There is no limit on these items. Please call ahead for larger items so Republic Services can provide the correct trucks and manpower to remove those items. The number to call is 345-1265.

Items **NOT** accepted at curbside include Freon appliances (i.e. refrigerators), tires, batteries, paints or hazardous materials. For more information on what items are acceptable and NOT acceptable, please go to [www.republicservicesidaho.com](http://www.republicservicesidaho.com).

Most items not accepted curbside may still be taken to Pickles Butte Landfill at no charge on Saturday, April 27<sup>th</sup> during Free Dump Day. On that day, Nampa residents can each take up to one ton of household cleanup wastes to the landfill FREE. Residents are limited to one free trip and may bring up to four passenger/light truck tires (16.5 inches), one refrigeration unit (please leave the compressor in the unit), batteries, metal, up to 3 gallons of used motor oil, up to 5 gallons of paint, computers, antifreeze, yard trimmings and general household garbage.

Those who deliver waste in excess of one ton or exceed the limits for tires and refrigeration units will be charged based on normal landfill fees. Customers can expect to experience waits of up to an hour both entering and exiting the landfill. Commercial waste will be accepted in accordance with the regular land fill fee schedule. For questions about Free Dump Day call 466-7288 ext. 224.
