High School Seniors Receive Scholarships

(May 3, 2013) - The Nampa Mayor's Golf Tournament was a success again this year, with 28 golf teams, and 32 businesses and organizations sponsoring holes. This event raises money for Summer Youth Golf programs in Nampa and provides scholarships to high school senior golf students.

Mayor Tom Dale presented \$1000 scholarships each to the following high school seniors: Devan Berg – Skyview, Cali Carpenter - Nampa Christian, Matthew Daniel – Skyview, Steven Grow - Columbia, and Caleb Preece – Columbia.

Students who apply for the scholarships must attend high school or live in Nampa or its impact area, play on a high school golf team and have at least a 2.5 GPA. The Golf Commission chooses the scholarship winners based on community activities and an essay.

The Nampa Mayor's Golf Tournament has raised more than \$70-thousand dollars for scholarships and youth golf programs over the 11 years it has been held.
