What: Nampa Art Walk
When: Friday, May 10, 2013
(second Friday of each month)
Where: Historic Downtown Nampa
Time: 5-9 pm
Cost: FREE

The Nampa Art Walk was created by the newly organized Nampa Art Team (NAT) made up of business owners, artists and citizens who felt Downtown Nampa needed more art. It became a partnership between willing business owners and local artists. Emerging artists can display their work for art for the public to enjoy while they visit downtown businesses they might not otherwise visit. It's win-win for everyone.

NAT has posted a "call to artists" on Facebook. The public is also invited to submit comments and ideas for future Art Walks.
