News Release Celebrate Public Works Week

(May 14, 2013) – The American Public Works Association has designated May 19 to May 25 as National Public Works Week, and for the second year, the City of Nampa will be joining in the celebration.

Public Works Week will kick-off this Saturday with a fair at the Nampa Farmers Market. Displays and activities are aimed at kids and adults alike. Get up close and explore several pieces of construction equipment and a police car maintained by the Fleet Service Division. Kids can make their own edible aquifer (while supplies last) and they can compete in a paper airplane contest at 12:30pm. Learn about ground water, new water meters and much more through demonstrations and displays. Stop by before or after Parade America for this free event!

What: Public Works Week Kick-off Fair at the Farmers Market
When: Saturday, May 18th
Time: 9am – 1pm
Where: Lloyd Square behind the stage on Front Street and 14th Avenue South
Cost: FREE

Free tours will provide close-up and more in-depth looks at Public Works projects and services.

- **Project Tour – Tuesday, May 21, 10am-noon**
Location: 212 W. Railroad Street
View a traffic signal display and then take a bus tour of the Star-Franklin Roundabout, East Franklin Road Rehabilitation, Birch Traffic Signal, the future Ridgecrest Drive, and the newest City water well.
- **Wastewater Treatment Plant Tour- Wednesday, May 22, 1:30-3pm**
Location: 340 W. Railroad Street
It's more interesting than it sounds! See and learn about the complexity of treating wastewater and how Nampa keeps our community's water clean.

To sign up for either tour, please contact Karla Nelson at 468-5523 or by email nelsonk@cityofnampa.us.
