## Q&A about GoRide Community Link

***Q: Tell me more about GoRide and these new two new routes***

GoRide is a series of mobility projects managed by Valley Regional Transit (VRT). The GoRide Community Link Nampa Bus Service and Caldwell Bus Service routes are the result of the collective efforts of VRT, Brown Transportation, Caldwell Transportation, and the Caldwell YMCA.

***Q: Tell me more about the Nampa and Caldwell bus routes***

The GoRide Community Link Nampa and Caldwell bus services provide three scheduled daily stops to various locations in Nampa/Caldwell and to the Caldwell YMCA. The full schedule is in this brochure.

***Q: What do I need to know about how to catch the bus, how to ride, etc?***

A handy rider's guide is located on the other side of this brochure.

***Q. Is this service permanent?***

Because this service is funded primarily from a federal grant, the service is not permanent. The week-day summer schedule will end Wednesday, Aug. 21. After that date, the bus service will continue to operate, but will only offer service on non-holiday weekdays when school is not in session.

***Q. How is this route different than the ValleyRide Route 57 Flex?***

The Route 57 flex is a dial-a-ride type service that requires a patron to schedule a ride. Anyone living within a large defined geographic area within Nampa and Caldwell can schedule a ride on the Route 57 Flex. Route 57 takes riders to eight locations in Nampa/Caldwell, including the Caldwell YMCA.

***Q: If I have any questions, where can I call to get more info?***

For general route questions you can call Valley Regional Transit RideLine at 345-RIDE (7433), Brown Transportation Company at 455-2532, or Caldwell Transportation Company in Caldwell at 459-6612.

## How to Ride the Bus—It's Really Easy!

Catching one of the GoRide buses is easy and free! The schedules for the two routes are located to the left. Each bus makes three runs during the day—once in the morning, once midday, and one final time in the late afternoon. Here are some tips:

- First determine whether you need to take the Caldwell bus or Nampa bus.
- Identify the pick-up location that you will be using. Please get to the pick-up location at least five minutes before the schedule pickup time.
- There are no bus stop signs at the locations. The buses being used are familiar yellow school buses. Each bus will have four GoRide logos attached on the outside—one above the front windshield, one on each side of the bus, and one on the back of the bus.
- The noon and 5 p.m. YMCA pick-up time schedules for the Nampa route do not follow in the same sequence as the early morning schedule. The posted bus stop pick-up times are correct. Please get to your pick-up location at least five minutes before your scheduled pick-up time.
- Please note that these routes operate Monday through Friday. The last day of the summer service is Wednesday, August 21st. After that date, the bus service will continue to operate, but will only offer service on non-holiday weekdays when school is not in session.
- If you have any questions about the schedule or need help, please call RideLine customer service at 345-RIDE (7433). If you left something on the Nampa route bus, you can call Brown Transportation at 455-2532. For the Caldwell bus, call Caldwell Transportation at 459-6612.
