News Release

Traffic Impact Due To Library Square Construction

(September 26, 2013) – Underground utility work will mean a lane closure and the temporary closure of a section of an alley in downtown Nampa.

On Friday, September 27th from 9am-4pm drivers will find the right hand lane closed on 3rd Street South between 10th and 12th Avenues South. People are asked to please be aware of workers as they drive through the area.

The utility work will also close the alley across from Library Square from September 27th through October 2nd. The section of alley affected runs between 3rd and 4th Streets South and parallel to 11th and 12th Avenues South.

Construction crews working on the new library and Library Square apologize for the inconvenience and thank the community for their understanding.
