News Release

Nampa Library to Open Late on Friday

(October 16, 2013) – The Nampa Public Library will open at 1pm this Friday instead of 10am. The Library Board voted for the delayed opening on October 18th to allow Library employees to attend the funeral of the Library Director’s son.

The Library Board felt it was important to allow Library employees to support Library Director Mark Rose during this very difficult time for him and his family.
